

LetPub

Your Manuscript Editor

Institutional Provider

LetPub will align with your organizational goals to produce fast, affordable, and simplified service delivery

Who We Are

LetPub provides a suite of author and institutional editorial and communication services. We offer core editorial services as well as a broad range of related publishing competencies and bespoke scholarly communications offerings.

A US-based industry leader

- ◇ The US-based management team is comprised of former researchers
- ◇ A global editorial pool of active researchers and academics
- ◇ A collaborative and transparent editorial model that ensures quality control
- ◇ Innovative offerings and solutions that adhere to strict schedules
- ◇ Dedicated client communications specialists to address concerns and coordinate projects for authors
- ◇ Quick and convenient payment options for authors—credit card, Paypal, ACH, check, wire transfer, and PO processing

How can we support you?

Recommended and exclusive provider partnerships

- ◇ 5% (recommended) and 10% (exclusive) discounts on all LetPub services for any member of your institution
- ◇ Revenue sharing and advertising placement (millions of LetPub authors) are available for exclusive partnerships
- ◇ Choose between a simple listing or an exclusive recommendation to gain these benefits for you and your authors
